OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 7 April 1971

1. (Unclassified - DSB) Received a call from Mr. Fox, in the office of Representative John P. Saylor (R., Pa.), who requested a personnel interview for a constituent, Mr. [REDACTED]. After checking with Mr. [REDACTED] Office of Personnel, I advised Mr. Fox that the appointment had been set for 9:30 a.m. Thursday, 8 April 1971.

2. (Confidential - JMM) In connection with his request for documents on Soviet chemical warfare, I called Mr. T. F. Zuenges, Defense Division of GAO, and explained the policy of not disseminating National Intelligence Estimates and USIB studies outside the intelligence community. Mr. Zuenges said he needed the material in connection with a study on gas masks he was doing for the U.S. Army. I said if he wished to pursue the matter he would have to take it up on a higher level, perhaps to GAO Director Staats. This he seemed reluctant to do. I said that alternatively if he wanted to talk to one of our people informally regarding certain specific questions we might be able to put him in touch with someone. He said if so he would call me back.

3. (Confidential - JMM) At the request of [REDACTED] OTR, I called Carl Marcy, Chief of Staff, Senate Foreign Relations Committee, who tentatively agreed to speak to the Advanced Intelligence Seminar on the afternoon of Friday, 14 May. Mr. Marcy said if he could not keep the appointment, Mr. Pat Holt, of the Committee staff, could substitute. Marcy suggested I contact him about 6 May to confirm the details.

4. (Secret - GLC) Dorothy Fosdick, Senate Subcommittee on National Security and International Operations staff, gave me two pages containing draft paragraphs of statements having to do with Soviet missile and other strategic programs. There are some gaps in these statements having to do with numbers or percentages and she has asked if our people would provide such information as can be used in an open forum in these statements. This material has been passed on to Mr. Duckett.

5. (Secret - GLC) [REDACTED] called to alert us to statements made by the State Department in recent briefings of the Passman Subcommittee on refugee programs. These statements included references to the fact that refugee/defectors have provided useful intelligence information. 25X1A

6. (Confidential - GLC) Talked with Lee Williams, Administrative Assistant to Senator J. W. Fulbright (D., Ark.), about the case of [REDACTED] who has applied for a Fulbright Grant for a study on the social history of the Jews in Buenos Aires. I told Williams that while this situation didn't come within the scope of the Director's commitment to Senator Fulbright, i.e., his assurances that Fulbright scholars would not be used for intelligence purposes, we wanted to alert him to the facts in this case. I indicated that if [REDACTED] becomes the recipient of a Fulbright Fellowship that he will terminate his Agency employment. 25X1A

7. (Confidential - GLC) Received a call from Mr. Fred Fielding, of the White House staff, on the status of our response to Representative Koch's inquiry on Agency files. Fielding indicated they were reviewing all Executive Branch responses to Koch's letter and asked if we would provide him with a copy of our draft response. We have sent our draft response to Fielding and assured him that we would delay its dispatch until he could get back in touch with us.

8. (Unclassified - GLC) Hand-carried to Mr. Sam Goldberg, on the staff of Senator Charles McC. Mathias (R., Md.), unclassified biographic information on [REDACTED]. This was provided in response to a request from Goldberg to SR Division. I suggested to Goldberg that future requests be directed through this office. 25X1C

9. (Secret - JGO) Talked to Mr. Arthur Kuhl, Senate Foreign Relations Committee staff, and brought him up-to-date on the meeting yesterday with Messrs. James Lowenstein and Richard Moose. I told Mr. Kuhl that the transcript of 29 March was being forwarded to the Committee this morning in accordance with Mr. Lowenstein's request. See Journal of 6 April 1971.

Mr. Kuhl called me back later in the day and told me that we can forget the Muskie questions that "this matter has been resolved." The transcript of 29 March was picked up from the Committee and returned to the Agency for safekeeping.

10. (Internal Use Only - JGO) Messrs. John H. Martiny, Theodore J. Kazy, Richard A. Barton, and Robert Lockhart, House Post Office and Civil Service Committee staff members, visited the Agency for briefing on Agency personnel management and policies. See Memorandum for the Record.

11. (Unclassified - JGO) Received a call from Mrs. Mary Flanagan, in the office of Representative Walter Flowers (D., Ala.), who asked for a set of application forms and a professional brochure for a constituent who is interested in possible Agency employment. The forms and brochure will be forwarded to Representative Flowers' office.

12. (Unclassified - LLM) Mr. Bob Young, of the Washington Bureau of the Chicago Tribune, called and asked if the appointment of the Director was subject to Senate confirmation and I told him that that office as well as the office of the Deputy Director were Presidential appointments with the advice and consent of the Senate. In a response to my inquiry as to what may have prompted his interest, Young said it was to resolve disagreement in an office discussion that only approval of the Chairman of the Senate Armed Services Committee was involved and he said there were gaps in their office files on this subject. Mr. Jake Goodwin was advised and confirmed that Young was with the Chicago Tribune office here and recently replaced Mr. Younger.
